AN EXCLUSIVE INTERVIEW WITH CAPTAIN HEIKKI LAAKKONEN

SKY PRINCESS CAPTAIN

- Q1** *Hi Captain! What was it that first made you want to embark on a career at sea?*
I have always been interested in ships, planes, trains and anything that moves. I was "working" as deck hand on a small passenger ship along the Finnish coast, when I was 13 years old. As I could not work officially due to my age, I was allowed to eat as many sweets and as much ice cream as I wanted. Best contract ever! Later, I completed my national military service in the Finnish Navy, so a career at sea was a natural choice.
- Q2** *Can you tell us a bit about your career in the cruise industry?*
I have worked for the Carnival Corporation for almost 20 years after joining the company as 2nd Officer. In 2006, I completed one contract aboard *Queen Mary 2* as Chief Officer. Later that same year, I was promoted to Staff Captain and in 2013 I was promoted to Captain. My first command was on P&O Australia with *Pacific Dawn*. Since then, I have commanded eight ships including *Sky Princess*.
- Q3** *What are some of your career highlights?*
Moments I'll never forget: When I joined my first foreign-going cargo ship back in 1992; The first time I was on watch alone on the Bridge as a watch-keeping Deck Officer in 1995; When I conducted my first legal wedding back in 2014 and was more nervous than the couple getting married; When I took the delivery of the brand new *Sky Princess* at the Monfalcone shipyard back in 2019.
- Q4** *Do you have a favourite feature on Sky Princess?*
Our well-hidden gem, The Enclave, Princess' largest-ever thermal suite with an indoor pool and saunas. You can find it inside Lotus Spa, deck 5 forward.
- Q5** *And what about your favourite restaurant on board?*
Crown Grill Steak House, which I miss when I am home!
- Q6** *Why should people sail with Princess Cruises?*
With us you learn what cruising is all about! We have a very dedicated and friendly team who provide extraordinary service. And then there's the unique MedallionClass Experience, which helps create personalised and seamless holidays.
- Q7** *How can our readers make the most of their time aboard?*
There are so many things to do, with activities and experiences for everyone! I would recommend the first thing you should do once you step on board is to take a moment to relax, sit on your balcony or top deck with a drink in hand, close your eyes and enjoy the fresh sea air. Then check out the Princess Patter, which lists all the activities that are taking place each day. Be sure to check out OceanNow on the MedallionClass app or your stateroom TV too, where you can have food and drink delivered to wherever you are on board thanks to our Medallion technology!
- Q8** *We have no doubt that you have visited many destinations around the world. Do you have a favourite?*
I have so many favourites, so it is extremely difficult to say what is number one. Perhaps, Bora Bora in French Polynesia.
- Q9** *And which destinations are you looking forward to visiting aboard Sky Princess?*
New York, one of my favourite cities!
- Q10** *Lastly, what are you most excited about for the future of Princess Cruises?*
We are getting the new ship class in 2024 (Sphere class), which is LNG powered and fitted with Azipod propulsion. I have seen some sketches and let me tell you, the Sphere class will be absolutely spectacular!

FOLLOW IN THE FOOTSTEPS OF JENNIE BOND ON BOARD

One of the many joys of cruising is that every ship is different and every voyage offers a new playground to explore. I've been cruising for more than 25 years, and yet there are still so many adventures to be had. My latest was on board the magnificent *Enchanted Princess*[®].

As my husband, Jim, and I stepped onto the beautiful, sparkling new ship in sunny Malaga, that familiar feeling of relief and relaxation swept over me. We had arrived: no further need to pack and re-pack bags, no need to worry about travel plans, we just had to sit back and be pampered! And that's exactly what we did.

The first novelty was receiving our medallion - which worked like magic. As we approached our stateroom, the door clicked and unlocked. No more fumbling for keys or cards... for the rest of the voyage we acted like human sensors, able to access our cabin from several yards away! It is cutting edge technology and means that you can order food, locate your family or friends on board and effortlessly pay for anything you need with a wave of your magic disc!

Our stateroom - a mini-suite - was spacious and comfy, with a balcony and two chairs. We had two flat screen TVs as well, which were useful when we wanted to watch different programmes. And, as part of the technological revolution, you can access all services via the TV, including dining in your room.

Food is an important part of any cruise, and the options on *Enchanted Princess*[®] were many and varied. We found the standard of cuisine in the club dining areas truly exceptional:

delicate hors d'oeuvres, sumptuous main courses and exquisite desserts, all served in a quiet restaurant with views of the ocean.

We also ate in two of the speciality restaurants. The Crown Grill was spectacular. I had a seafood starter, followed by surf and turf: half a lobster and a fillet steak. Yes, you've guessed it, my eyes were bigger than my stomach and, rather like the Vicar of Dibley trying to swallow one more Christmas sprout, I simply couldn't manage the last two mouthfuls, which was extremely annoying because it was all completely fabulous! We also ate in the French Bistro Sur La Mer, created under the guidance of three Michelin star Chef Emmanuel Renault. Once again, the food was delicious and there's an option for eating out on deck as you watch the sun set and the moon rise. Magical!

Entertainment Princess-style is non-stop and joyful. There was a real buzz around the ship...in the many bars, the swimming pools and the lounge areas. There's also a gorgeous theatre where I chatted about royalty to a delightfully appreciative audience. And I watched the Jubilee Party at the Palace on the huge outdoor screen overlooking the pool: another magical moment.

Our voyage around the Mediterranean was a perfect taster of all that Princess Cruises has to offer. I didn't have time to sample the spa (but it looked fab) or to take in all the theatre shows. I'd love to have taken a peek at one of the superbly luxurious Sky suites with their huge balconies and panoramic views. But all that will have to wait for another occasion. The world of cruising is well and truly open once again, and it seems to me that it is bigger, better and more sophisticated than ever. Go and enjoy it!

THE 2023 ALL-INCLUSIVE PARADISE ISLANDS OF HAWAII DOUBLE CRUISE MILES® EVENT

YOUR CRUISE HIGHLIGHTS

KAUAI (NAWILIWILI), HAWAII

The fourth largest island in the Hawaiian group, Kauai is known as the "Garden Island." The terrain ranges from the volcanic slopes of Mt. Waialeale and the desert-like beauty of Waimea Canyon to the Wailua River's lush Fern Grotto. Ironically this once isolated island was the site of the first meeting between Europeans and Hawaiians. On January 19, 1778, Captain James Cook anchored his ships off the mouth of the Waimea River, becoming the first in a long line of enthusiastic visitors.

HONOLULU, HAWAII

The city of Honolulu and the island of Oahu offer a wealth of historic, cultural and scenic attractions. Waikiki Beach and Diamond Head are two of the city's enduring symbols. Pearl Harbor, site of the USS Arizona Memorial and the "Punchbowl," are haunting reminders of the tragic events of December 7, 1941, when the Japanese surprise attack on Pearl Harbor forced America into World War II.

BIGGINS ON BOARD:

CHRISTOPHER BIGGINS ON HIS TIME ABOARD *SKY PRINCESS*

Earlier this year, we chatted with Christopher Biggins on his love for cruising and his time aboard *Sky Princess*, which we coordinated alongside Princess Cruises. The voyage sailed Biggins and his partner Neil to the Western Caribbean and Mexico and was “simply fantastic,” as Biggins later tells us, his infectious smile beaming as his passion for cruising radiates. Here are just some of the highlights.

Tell us about your cruising background. When did you first start cruising? Have you cruised a lot?

My partner Neil and I have cruised a lot over the years. When I won I'm a Celebrity... Get Me Out of Here! in 2007, part of my prize was a cruise. Unbelievably, it was Queen Elizabeth 2's final farewell to Australia.

Let's chat more about your recent cruise aboard *Sky Princess*. How did Princess Cruises differ from other cruise lines you've sailed with?

Well, I think the difference is the luxury. *Sky Princess* was so luxurious in every way; the way she looks, the public areas, the suite, everything was gorgeous. And the staff were absolutely wonderful, looking after us was second nature to them.

How did you enjoy staying in the Most Luxurious Accommodations at Sea?

The suite, oh, the suite! It was very impressive. To have a bathroom with a bath and shower and a separate toilet area was incredible. There was lots of space and of course, the staff! Everything about it was good.

When on board, where can we find you? What sort of activities do you try and hunt out?

The spa, usually! Lotus Spa on *Sky Princess* is quite extraordinary and we especially loved the cabanas. There's this fabulous television that you have personal headphones for so you can listen without disturbing anybody. We enjoyed relaxing there in the Caribbean sun. We also love to chat with people and make friends. In fact, when celebrity friends of mine say, “We're going on a cruise, what do you think?” I always respond with, “Do you like people?” And sometimes they pause and they say, “Well, what do you mean?” And I say, “Well, you can't go on a cruise without people because they're everywhere!” And I love that. I mean, we made some lovely friends on *Sky Princess*.

What were the stand-out features of *Sky Princess*? Would you recommend her to friends and family?

Absolutely I would – she offers a truly unique experience. The cabins are marvellous, the entertainment is wonderful, the spa is fantastic and the concierge is so impressive.

One last question! What message would you give to our readers?

One thing I would say to someone who is thinking of going on a cruise... go for it! It is the most wonderful experience and you won't regret it.

What a lovely sentiment. Thank you for your time, Biggins!

YOUR SIGNATURE EXPERIENCE HIGHLIGHTS:

ICONIC IGUAZÚ FALLS

The Iguazú Falls were formed some 120 million years ago and can be found in the Iguazú National Park, which straddles the border with Brazil. One quarter of a million gallons of water cascades down the cliffs – some of which are taller than the Statue of Liberty – every second. This is where you will find the greatest annual flow of any waterfall in the world. You will run out of superlatives to describe just how staggering this place is and nothing will be able to describe the sound and feel of the water crashing into the plunge pools below.

AUTHENTIC ARGENTINE TANGO

This famous ballroom favourite evolved in the lower-class districts of Buenos Aires in the 1880s. Book a Balcony stateroom or above and you can experience the raw passion of this sensual dance during a FREE Dinner & Tango show*.

How to make the "Best Pizza at Sea" at home

The hand-tossed, Neapolitan-style pizza, which is freshly baked out on deck on the Princess fleet, has got a serious reputation. USA TODAY even hailed it as the "Best Pizza at Sea". Craving a taste? Make it at home and share a slice with your family and friends.

Ingredients (Makes 2 x pizzas)

FOR THE PIZZA DOUGH:

- 385g plain flour
- 2 teaspoons active or instant yeast
- 1 pinch of sugar
- 240ml lukewarm water
- 2 tablespoons olive oil
- 1 teaspoon salt
- Extra flour for dusting and lining the bottom of pan

FOR THE TOMATO SAUCE:

- 2 400g cans of chopped tomatoes
- 2 cloves garlic, chopped
- 1 tablespoon olive oil
- 1 tablespoon dried oregano
- Salt and pepper to taste

Method

FOR THE PIZZA DOUGH:

- If you're using active dry yeast, dissolve it, along with a pinch of sugar, in 2 tbsp of water. Then let the yeast and water mixture sit at room temperature for 15 minutes, until the mixture has bubbled and expanded.
- Combine the yeast, flour, lukewarm water and olive oil, and then mix together.
- Add the salt and mix for five more minutes, creating a pizza dough that's smooth and firm.
- Remove from the dough from the bowl and place in a covered container overnight in the fridge.
- When ready to use, remove the dough from the fridge and divide into 2 equal ball-shaped pieces.
- Spray or sprinkle the balls of dough with a little olive oil and allow to rest at room temperature for 1 hour, covered loosely with cling film.
- Preheat oven to 230C (210C fan oven).
- Dust a flat surface with flour and gently press one ball of dough into a disk shape.
- Sprinkle the dough disc with a little flour and stretch into a large, round pizza base. Dip your fingertips into flour if the dough gets sticky to touch.
- Carefully transfer the dough base onto either a pizza pan or baking sheet that has been dusted with flour to prevent sticking.
- Top the base with the tomato sauce (see cooking method below), mozzarella cheese and any other desired toppings.
- Bake in the oven for 6-8 minutes, or until the cheese and crust are golden.

FOR THE TOMATO SAUCE:

- Heat the olive oil in a large saucepan, add the garlic and sauté lightly.
- Add the tomatoes and bring to boil.
- Reduce the heat and simmer until the tomatoes have reduced by one third.
- Add dried oregano and season to taste with salt and pepper.
- For a smoother sauce, pulp the tomato sauce in a hand blender. If not, simply allow sauce to cool before spreading on pizza dough.

The eclipse we hope you'll see is a total Solar Eclipse, which is only visible from a small area on Earth. Those who are able to see the total eclipse are in the centre of the moon's shadow when it hits Earth. YOUR SIGNATURE EXPERIENCE HIGHLIGHTS

THREE-NIGHT 4★ SYDNEY HOTEL STAY†

Attracting visitors with its iconic harbour, glorious beaches and the stunning Blue Mountains to the west, Sydney's visual wow factor is unlike any other place on Earth. The city is well-known for its 20th century architecture including the Sydney Opera House, perhaps the world's most recognisable structure. Elsewhere, there are more than 40 beaches as well as the 74-acre Royal Botanic Garden**, the ever-popular Taronga Zoo** and more. **An unforgettable half-day city tour* is included for all bookings with this ROL Cruise Signature Experience.**

THE GREAT BARRIER REEF

One of the seven natural wonders of the world, the Great Barrier Reef stretches over 1,600 miles along the Queensland coast and comprises over 2,900 individual reefs. This unique underwater ecosystem supports the lives of thousands of marine plants and animal species. The basis of the reef is the corals, which can be found in every colour, shape and form imaginable. Rainbow-coloured fish, giant clams, starfish, sea cucumbers, anemones, sponges, eels, rays and turtles and countless other creatures call the Great Barrier Reef home. The reef also offers a myriad of opportunities for snorkelling, scuba diving, kayaking and swimming**.
