OF EXCELLENCE

EMBARK ON AN *Incredible Journey* WITH ROL CRUISE

There is nothing quite like travelling solo. A solo cruise is an ideal getaway for solo adventurers, offering a safe and secure environment in which to visit new destinations, experience different cultures and make lifelong friends. Your travel arrangements are handled by the experts here at ROL Cruise, so once on board, relax knowing you are in a safe environment, and secure in the knowledge that the attentive crew will be around to look after your every wish. Travelling solo has become a much desired holiday experience, with the number of solo traveller bookings increasing year on year.

Within this Solo Traveller Special, you will discover exclusive value, much of which is only available when booking with ROL Cruise, unforgettable destinations and of course, exceptional deals.

So, why should you book your solo traveller cruise with ROL Cruise?
Here's what our customers say...

“ROL Cruise offers solo travellers an excellent opportunity to holiday at a reasonable and affordable price with no single supplement. Thank you!”

“As a single traveller I have found ROL Cruise excellent both in value and service.”

“As a single traveller I would highly recommend ROL. Always reliable, always safe and reasonably priced.”

Why choose to cruise solo?

Cruising is a perfect way to explore the world – you will only need to unpack once as you discover an array of incredible destinations. Cruising takes this stress away completely, once you're on the ship you can unpack in your room and know that all of your transport is taken care of for the rest of the trip.

Also, thanks to the nature of cruising, you are guaranteed to meet individuals who share a passion for travel. By taking part in on board activities, you'll be able to mingle in no time and make some great travelling companions. If you'd rather stay independent, it's easy to do that too. And with so much to do, every hour of your day will be filled with excitement.

If you're worried about exploring a new city by yourself, you don't need to be. The cruise line's great range of shore excursions mean at every port you'll be able to follow a qualified and knowledgeable guide and explore with a group.

As with every holiday, there is so much to see and do and that certainly doesn't change on a cruise. Being independent means you are able to do whatever you like for every second of your holiday. Want to lie in and enjoy the view from your bed? Go ahead! Want to get up early and take a dip in the pool? Do it! Want to spend your day on the ship instead of exploring the port? Then the choice is yours. With no one to dictate your holiday, you can spend it exactly how you want...

Need help with Travel Insurance?

Many cruise lines now require all guests to have travel insurance cover before departing on your cruise to ensure you can sail with peace of mind.
