**4 REASONS TO CHOOSE
FRED. OLSEN CRUISE LINES**

1. SMALLER SHIPS

Their smaller ships present several benefits, and their new ships have been bought specifically with this in mind. Smaller ships allow access to places that the bigger ships cannot reach. They also mean less guests, allowing a more personal and friendly service.

2. UK PORTS OF DEPARTURE

There's no need to endure lengthy journeys across the country to meet your ship and begin your holiday. Fred. Olsen cruises depart from Southampton, Dover, Liverpool, Newcastle, Portsmouth and Edinburgh (Rosyth), so they can bring the world closer to you right from your doorstep.

3. CRUISES CLOSER TO HOME

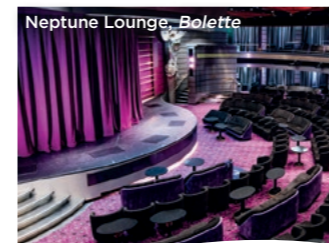

As well as longer voyages and a range of worldwide destinations, their new itineraries offer more possibilities for cruising around the British Isles or a little closer to home.

4. MONEY BACK GUARANTEE

Fred. Olsen are so confident that you will enjoy the way they cruise, that they will make you a promise – The Olsen Way Promise[™]. If after a couple of days on board you find that it is not right for you, they will fly you home (at their expense) from the next available port and your cruise price will be refunded in full.

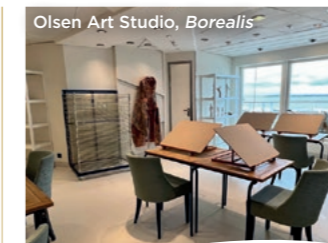

ENHANCING YOUR ON BOARD EXPERIENCE

As well as the brand-new Signature Experiences, Fred. Olsen Cruise Lines offer a host of other activities for you to enjoy while you are on board, why not use your **EXCLUSIVE FREE** bonus on board spend and indulge in the finer things in life. How much or how little you join in with is of course entirely up to you! A Daily Times newsletter will be placed in your cabin each evening detailing the events and activities for the next full day.

LIVE ENTERTAINMENT

Entertainment is a very important part of life on board a Fred. Olsen ship. Their Entertainment Team will proudly present to you a live music programme – featuring string quartets, flautists, classical guitarists, live bands and singers – from your ship's bars and lounges. You can also enjoy nightly shows in the elegant Neptune Lounge. The Entertainment Hosts will also organise traditional deck game tournaments like quoits, skittles, pickleball, deck tennis and shuffleboard.

LEARNING SOMETHING NEW

With many guests liking to use their sea days or longer voyages to try their hand at something they haven't done before, Fred. Olsen host sociable activities such as learning to play the ukulele or singing in a choir. Alternatively, you can refine your craft skills, practice your watercolours and learn some photography techniques in the new Olsen Art Studio (*Bolette* and *Borealis* only).

SPA & BEAUTY TREATMENTS^{xx}

Each ship has a relaxing spa where you can enjoy everything from soothing massages, manicures and pedicures to hair treatments and styling in the salons. This is also where you will find the well-equipped Fitness Centre and can join in with yoga, stretch and personal training sessions while savouring spectacular ocean views. What's more, on *Bolette* and *Borealis* you can also book the private Thermal Suite for an extra special treat.

SPECIALITY DINING^{xx}

Dining is a high point of every Fred. Olsen cruise, so why not make your dining experience even more special with an evening in one of the exclusive speciality dining restaurants on board? Whether you're celebrating a special evening or simply in the mood to try something new and exciting, Fred. Olsen's speciality dining – available for a small supplement – is the perfect way to mark the occasion.

WELCOME TO THE SUITE LIFE

For the ultimate indulgence, why not treat yourself to one of their glorious Suites. Located across the ships' upper decks, Suites have plenty of space to spread out and relax, and come with upgraded facilities too. The majority of Suites feature a private balcony or a terrace balcony and a separate sitting area. Book a Suite, your perfect haven in which to enjoy incredible sea views and unrivalled relaxation, and you'll transform your cruise experience.

CINQUE TERRE, ITALY

The charming city of La Spezia, located on the Ligurian coast of Italy, offers a colourful blend of maritime heritage, natural beauty and culture. The tranquil bay in La Spezia is known as the "Gulf of Poets", and has inspired many writers and poets, including Lord Byron and Mary Shelley. The city is also gateway to the UNESCO World Heritage Site of Cinque Terre, with its beautifully coloured villages perched on rugged cliffs overlooking the Mediterranean Sea.

RHODES, GREECE

Largest of the Greek Dodecanese islands, Rhodes importance as a maritime city rose after the death of Alexander the Great in 332BC when the navy was robust and economy thrived. Today, there are still examples of these ancient time, including the UNESCO World Heritage Old Town and the wonderfully preserved Acropolis which overlooks the town. The island is also famed for its delicious honey, and the local mountains provide many varieties of ingredients to ensure the honey from Rhodes tastes the best.

SORRENTO, ITALY

Sorrento's rugged cliffs line the Amalfi Coast above the topaz-hued waters, where it is possible to see Capri Island and Mount Vesuvius across the Bay of Naples. Many of the town's structures date back to Roman times, including St. Francis Monastery and the Basilica di Sant'Antonio. Nearby is Pompeii, the best-preserved ancient Roman city in the world, famously destroyed by the eruption of Mount Vesuvius in 79AD.

Adelie Penguins, Antarctica

ONCE-IN-A-LIFETIME VOYAGE HIGHLIGHTS

On this incredible journey, you can marvel at dramatic landscapes as *Borealis* cruises by the icy glacial vistas of the Antarctica Peninsula and the snow-capped peaks and rugged cliffs of the Chilean Fjords.

- You will have opportunity to take an optional special extended tour to see the Iguazu Falls^{xxx}, a thunderous cascade of waterfalls nestled amongst lush, tropical landscapes.
- Your cruise coincides with the Rio Carnival, so you'll have the chance to soak up the atmosphere of this iconic festival in the Sambadrome, which comes alive with vibrant parades, samba music, flamboyant costumes, and contagious energy.
- Embark on a once-in-a-lifetime tour to the Galapagos Islands^{xxx} unveiling nature in abundance.

SCENIC CRUISING THE ANTARCTICA PENINSULA

Stretching up from the heart of the world's southernmost continent, the Antarctic Peninsula lies a mere 620 miles from Tierra del Fuego and, for many, offers a spectacular first taste of the snow-blanketed landscapes and colossal ice sculptures, which make up Earth's least-explored continent. Unseen by humans until 1820 – a blink of an eye ago in relative terms – this is an adventure sure to make your hairs stand on end, as you experience the thrill of the truly unknown and extraordinary. Witness cathedral-sized icebergs up close, and blue hued glaciers, slowly slipping from imposing locations like Hope Bay. Blanched mountain peaks cover the peninsula, and you'll find thousands of adorable Adelie penguin pairs thriving undisturbed in this peninsula's unique setting.

YOUR ONCE-IN-A-LIFETIME GRAND WORLD VOYAGE HIGHLIGHTS

THE GREAT BARRIER REEF

An attraction like no other, the Great Barrier Reef sits on the coast of Australia and is the only living thing on Earth that can be visibly seen from space. Stretching over 2,500km, the reef is an expanse of vivid coral that's home to some of the world's prettiest and rarest species of fish, turtles, and sea mammals. There is only one way to truly experience this natural wonder in all its glory and that's by taking a snorkelling or scuba diving tour^{***}. Swim among fish, paddle into the crevices that line the coral clusters, and witness the magical colours of the reef's seabed first-hand.

ENJOY THE IDYLIC ISLAND OF BORA BORA

You'll wonder how brilliant shades of turquoise, sapphire and indigo can all co-exist to form such a luscious lagoon, matched only in its beauty by the blindingly white ring of sand and majestic mountain peaks at its centre. Formed from the remnants of an extinct volcano, Bora Bora appears to be of another world. Bora Bora's perfect panoramas are further enhanced by pretty sand-edged motu (islets) and rainforest-covered ridges, while its fabulous coral reef is a joy to explore.

CULTURAL SINGAPORE

Located at the tip of the Malay Peninsula, Singapore is a melting pot of culture, architecture and the arts. Modern skyscrapers sit alongside tropical rainforests, and there are reminders of its colonial past in buildings such as the famous Raffles Hotel, where a Singapore Sling is obligatory; and the Old Parliament House, originally built in 1826. The Singapore Flyer, the world's tallest ferris wheel, and the hi-tech Gardens by the Bay are both innovative and fascinating.

DELIGHT IN THE JOY OF THE JOURNEY

With Fred. Olsen Cruise Lines, the journey is every bit as important as the destination. Which is why they've created five unique on board Signature Experiences. Each one encapsulates what they think is special about the way they cruise and ensures that those who love to travel get the most out of their journey and the destinations they visit.

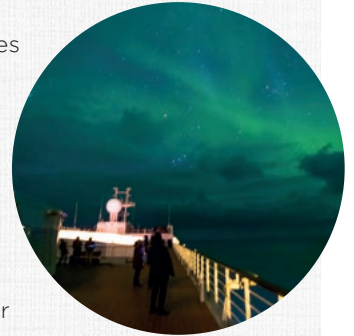

JOY OF THE JOURNEY GUIDES

The Journey Guides will host talks, presentations and private lunches, and are available to anyone who wishes to find out more about their journey. And please don't worry, if sitting and relaxing is what you are on the cruise to do, that's fine too. You will find our Journey Guide - including a Nature Guide, Culture Guide, Entertainment Host and Maritime Guide - on board every Fred. Olsen ship to entertain and inspire, with their insights and stories.

THE SKY AT SEA

The Sky at Sea experiences are held on the ships' wide open decks where they host live sunrise, sunset and stargazing events. Plus, on special itineraries you can seek out the natural beauty of phenomena such as the Northern Lights, the midnight sun and the solar eclipse.

THE SHIP AND THE SEA

Fred. Olsen's behind-the-scenes The Ship and the Sea experiences reflect that maritime is in their DNA. Join insightful 'Audience with...' interviews with key members of the crew and find out what it takes to sail a cruise ship.

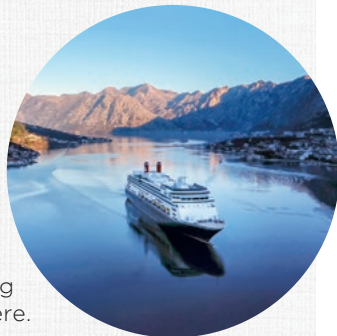

TREATS OF THE REGION

Come and enjoy the Treats of the Region sessions where you can meet chefs who will show you how to prepare local dishes from the destinations you are visiting. And the best part? Each one ends with a chance to sample the creation!

SCENIC DISCOVERIES

Rather than sailing the fastest and most direct routes, Fred. Olsen prefer to sail the most fascinating way. Their Scenic Discoveries are designed to take in all the islands, ports, waterways, lochs and lakes, fjords and interesting seascapes that are out there.

ITINERARY INSIGHTS

On the Itinerary Insights programme, friendly guest speakers will provide a deeper understanding of the history and culture of your destinations before you arrive. Meanwhile, Nature Guides will help you spot marine and birdlife out on deck as well as talking about the local flora and fauna of your chosen region.
