

MS Fridtjof Nansen

The sister ship of MS Roald Amundsen, the world's first hybrid powered expedition ship, MS Fridtjof Nansen is similarly a masterpiece of modern design. Public areas and cabins are comfortable and stylish, making generous use of natural materials such as granite, oak, birch and wool. The ship has both indoor and outdoor gyms, a 150-metre outdoor running track, an infinity pool and a dedicated wellness area. Enjoy delicious food from the three restaurants, relax in the Explorer Lounge & Bar, and follow lectures in the Science Centre.
